Colleáyn T. Klaibourne Session & Fee Schedule 2015

Qigong Long-Distance Session

Long distance sessions are as powerful as when done in person and can be done for anyone around the world.

\$30.00 No Email Session for people & pets: With this type of session, there is no physical or verbal contact involved or follow up emails. Using simple information (A name (or pets name & breed), a location, age, and a description of the areas of concern), On the day selected for the distance healing, Colleáyn will remotely detect blockages & send healing energy during her healing and meditation time. Simply email Colleáyn this information, send a check in the mail or request a PayPal invoice for credit card payments. A reply message will be sent to show the request has been received.

\$44.00 Brief Email Session for people & pets: With this type of session, you will receive a brief, concise paragraph as an email message within 48 hours of the session. This will highlight what Colleáyn picked up during the session and anything important that comes up. Using simple information (Photograph, a name (or pets name & breed), a location, age, and a description of the areas of concern), On the day selected for the distance healing, Colleáyn will remotely detect blockages & send healing energy during her healing and meditation time. Simply email Colleáyn this information, send a check in the mail or request a PayPal invoice for credit card payments. A reply message will be sent to show the request has been received.

Long-Distance Healing Sessions with email follow up....\$75.00. Qigong healing with email follow up. An email will follow within 48 hours with health insights, Qigong exercises, suggestions, & areas balanced. This type of session is around health & stress issues affecting the physical body.

Qigong for Surgery, Long-Distance.....\$100.00 This type of session includes 3 healings. 1. evening before "prep" Qigong (including- affirm less bleeding, calmness...), 2. Qigong during surgery, & 3. energetic check in and Qigong later that day. Contact Colleáyn with date & time of surgery, person's name, location at home & hospital, age, & a brief description of the surgery. Colleáyn will remotely detect blockages & send healing energy. Email or phone Colleáyn with this information, send a check in the mail or request a PayPal invoice for credit card payments. This session doesn't include email or phone follow up with intuitive assessment. An additional **\$25.00** will include an email with intuitive assessment information if requested. Simply email Colleáyn this information, send a check in the mail or request a PayPal invoice for credit card payments. A reply message will be sent to show the request has been received.

For established clients, if schedule permits:

Long distance session with 1/2 hour phone call, Skype or FaceTime... \$100.00 When you make an appointment, you will be given a scheduled time to call Colleáyn. Disclaimer:

♦ **Qigong Healing:** The Qigong & Consultation services you have requested are to help you release energy blocks, open up your channels, and help fill you with the powerful, loving life energies of the Universe. They are not directed at identifying specific medical or psychological diseases. I am not a medical doctor, physician, psychologist, or veterinarian. I do not diagnose or treat disease. If you have a medical concern or question that requires medical attention you should see a licensed physician, or a licensed or registered health care provider.

♦ **Readings:** Please be advised that intuitive readings cannot predict, forecast, or provide information with absolute certainty. By law I must state that psychic readings are given on the understanding that they are for 'Entertainment Purposes Only'. **No guarantees or assurances of any kind are given and Colleáyn Klaibourne will not be held accountable for any interpretations or decisions made by recipients based on information provided during readings.** You must be over the age of 18 to receive a reading from me.

♦ **Animal Communication:** Information received from your animal during an Animal Communication or a Healing session are from the animals perspective and experiences. Colleáyn is not a physician or veterinarian, and cannot diagnose illness. What she can do is describe to you the symptoms the animal feels/sends to her, which can be used to assist your veterinarian. Animal Communication is not a replacement for personal cares, training, or veterinary diagnoses or treatments. Please contact your veterinarian on all health matters.
